MAIN LIBRARY REFURBISHMENT PHASE 1 AND 2

KEY FACTS

CLIENT
UNIVERSITY OF WESTMINSTER

YEAR COMPLETED
2015

ARCHITECT
ROCK TOWNSEND

CONSTRUCTION COST
£1.7M

PROJECT DESCRIPTION

QMP acted as the Quantity Surveyor on the refurbishment to the existing library for University of Westminster. The scheme involved the remodelling of the existing space and opening up of the old partition to re-introduce the lightwell as a feature to the whole space.

Works also included new feature furniture to the whole area to create a space that provides comfortable area for students to work in. Areas that were also new included break out areas and cellular collaboration spaces.
